Please call our sales department at 888-257-3343 or email sales@microlite.com to indicate your preference and reserve a place in the class. Exclusive Magazine Offer

TIME CRITICAL!

Microlite Corporation has been advertising since September 2008 in **Linux Pro Magazine** (www.linuxpromagazine.com).

Linux Pro is a monthly magazine available by subscription and on newsstands (newsstand price is \$9.99 US, \$12.99 CAN). It has strong editorial content and a staff that has been a pleasure to work with. We like the magazine so much that we've arranged with the publishers to send a **free issue** to clients who receive this newsletter.

If you would like to receive a free issue, please send your name, company name, postal mailing address, and phone number by return email (tom@microlite.com), stating that *"I want to receive a free issue of Linux Pro Magazine."*

At the end of the month I'll forward all requests to the publisher. They'll send you a free issue of Linux Pro, and of course they will extend a subscription invitation.

To be eligible for this offer...

- you must be the email recipient of this newsletter. The offer is exclusive and not transferable.
- you must respond on or before **April 30, 2009**.
